

Technical experts of the city members are invited to thematic workshops on October 12-13<sup>th</sup>, 2021 in Clermont-Ferrand, to initiate a joint and collaborative work linked to identified projects and to prepare the meetings in Querétaro (15-17<sup>th</sup> March, 2022).

The launch in Clermont-Ferrand of these collaborations will enable the participating cities to continue their work until March 2022 and to meet again in Querétaro.

The hybrid format of these workshops will make it possible for the cities to attend virtually if unable to travel.
