

1st INMC Start-UP AWARD 2024

Let's bring your most innovative Start-Ups to the
4th INMC Conference in Anderson (SC-USA)!

Goal

- To bring together a group of selected INMC Startups to **take part in the International Competition** to be held in April 18th 2024 during INMC 3-days-event.
- **To boost and work in synergy** with the launch of INMC soft landing partnership project : « Corridor of Incubators ».

A panel of targeted start-up

- A local competition for each participating INMC City will select 3-5 winning Start-Ups. Only the top 3 will be able to compete on the final at Anderson !
- In line with Anderson Conference key sectors, the topics will be **focused on transportation of the futur, renewable energies, arts & culture.**

Start-up criterias

- be less than 8 years old
- be innovative in its technology and value proposition
- have a POC (Proof Of Concept) or MVP (Minimal Viable Product)
- have a solid financial structure to secure their international ambitions

Award

- Free airfare & accomodation in Anderson (SC-USA) 15-19th April 2024
- 5.000 EUR cash prize
- 5.000 EUR Marketing/Branding package
- International trophy
- Unique business opportunity

Calendar

- January 2nd : Local call for applications (for each participating city)
- February 18th : End of applications
- March 15th : Final selection of INMC participating Start-Ups
- April 19th : Announcement of the winner & Prize-Giving
