

## INMC - STUDENTS PROGRAM

### Let your students take part in the 4th INMC Conference in Anderson (SC-USA) !

University/ College students from INMC participating cities are invited to take part in thematic labs and break out discussions on topics of Mobility for All and Sustainable Development Goals.

Students from nearby Clemson University, Anderson University, and Tri-County Technical College will also participate. Academic advisors will lead the student groups in a cohort to choose topics of study for work and development.

#### Goal

- Excellent opportunity for shared study and peer-to-peer interaction toward global solutions.
- Students from all over the world will be invited to share their findings with the INMC.

#### Participation

- Each city may include 2-3 students
- Anderson/INMC will provide lodging for 4 nights and meals
- Home city is responsible for its students airfare
