

# OPEN CALL

for 1 Artist in Residence  
from 21st September - 13th November 2026

The charming City of Regensburg invites an artist from its partner cities within the International Network of Michelin Cities (INMC) for a two months residence along the Danube River.

## THE PROJECT

The INMC was inaugurated in 2017 by the City of Clermont-Ferrand to boost joint reflections and collaborative projects between cities from all over the world. At a time when environmental, social, digital and cultural challenges are emerging worldwide, the INMC fosters innovation and creativity to take the lead in the transition towards sustainable development.

## THE CITY

Regensburg, a southeastern city in Bavaria, Germany, is known for its medieval town centre and Danube River location. With around 179,000 inhabitants, it blends modern and traditional influences, partly due to its university. Highlights include the 12th-century Stone Bridge, Gothic cathedral, and an Italian flair in its cafés and colourful houses.

## ACCOMMODATION

Last autumn the Cultural Office launched a new programme which is called “RAiR. Regensburg Arts-in-Residence” that promotes international exchange between artists. Two new charming studio apartments in a historic building in the heart of Regensburg’s old town are available for this purpose. Located directly on the Stone Bridge and thus along the Danube River, the studio apartments offer plenty of space for art and creativity in unique surroundings. Numerous galleries and studios are located in the immediate vicinity. The studio apartments are newly renovated with a fully equipped kitchen, a bathroom and a bedroom as well as a living and working studio area. Artists with families are welcome to apply, as the Cultural Office is aiming to ensure a child-friendly environment. Accommodation is paid by the City of Regensburg.

## EXPECTATIONS

Artists from all disciplines are free in their work and are invited to engage with Regensburg. The residence includes an artist talk and a participatory format that involves the citizens of Regensburg.
